"What are the key visual cues?
What makes this **region** different
and unique?"

contrastive
annotation

Region 4.

Comprehensive: A black metal frame bed with striped bedding beneath two circular mandala prints, a white desk beside brown dresser, and a gray upholstered chair by the patterned curtain.

Concise: black metal frame bed and white desk

Region 19.

Comprehensive: Black bunk beds with navy blue pillows against branch-patterned wallpaper, a dark navy-blue couch by window with dark curtains, and a brown dresser with glass bottle.

Concise: black bunk beds

Region 21.

Comprehensive: A teal nightstand between the twin beds with white metal frames and striped bedding, and white curtains hang by the window.

Concise: twin beds with white metal frames
